

# Georgie's Paws

Take a Pause  
for SRTS!

## SAFE (AND INDEPENDENT) KIDS

When appropriate and safe, walking and biking to school is an experience that can help children develop a sense of independence that is important for development. While children under the age of 10 should always be accompanied by an adult when walking to school, they can help plan the route and help lead walking school buses.

### Resources

- See how to set up a walking school bus at [www.saferoutesinfo.org](http://www.saferoutesinfo.org)

Georgia's Safe Routes to School Resource Center can help your school get on your way to a healthy Safe Routes to School program. For more information, visit us on line at: [www.SafeRoutesGA.org](http://www.SafeRoutesGA.org) or call our hotline at 1.877.GDOT.W2S (1.877.436.8927).
