

Walk and Bike to School Event Materials

Free downloads for your walk or bike event from www.SafeRoutesGa.org!

Event Banners

Print the event banner on multiple pages and tape it together for your walk or bike to school event! Have children hold it while walking, or hang the banner on your school's front entrance.

Pennant

Print out the pennant and attach it to a paint stirrer, stick, or bicycle flag pole.

Participant and Thank You Certificates

Give walk or bike to school day participants a pat on the back with the participant certificate! Give a thank you certificate to thank people for helping out! Customize it by typing in the PDF and adding an event photo.

Walk or Bike to School Event Flyer

Use the walk or bike to school event flyer to make sure everyone knows about your event. Enter event details by typing on the PDF.

Walk or Bike to School Event Reminder Flyer

Send parents the event reminder flyer a day or two before the event to help them plan ahead. Some may have to make special arrangements in order to participate. Do parents at your school use email? Consider sending an email reminder.

Stickers

Check with you School Outreach Coordinator for pre-printed stickers or download the template and print your own. Order round label sheets online and follow simple instructions to print stickers for each child that walks.
